BURKE TO FACULTY — "THE WORST HAS PASSED"

With reference to the budget cuts, position rifts, vacancy freezes and expenditure ceilings which have beset the Plattsburgh campus during the last three years, President Joseph C. Burke welcomed faculty back to campus Tuesday with the optimistic observation that "the worst has passed." Dr. Burke predicted that "our difficulties in the future will descend from the cataclysmic realm of crises to the mundane level of problems," and noted that "problems are preferable to crises, for you can only react to crises, but you can solve problems."

Dr. Burke cautioned faculty that budgets will continue to be sparse, and competition for students fierce, but he noted changing conditions which will allow the "issue of our success to be decided largely on this campus in Plattsburgh rather than determined mostly in the Capitol in Albany. And that issue will be success, not survival," as has been the case for the past three years.

The President shared his perception of the State budget situation with faculty, saying that he expects no cuts in the College budget for 1978-79, and some money for inflationary increases and program improvement, though money for program improvements will be less than the College has requested.

Dr. Burke noted that problems still face the College, most notably, "that external pressure for change will continue," and that "programs must expand and contract in tune with these legitimate needs if a college is to survive." The President outlined his approach to meeting changing needs, as presented in the College Mission Statement and Five Year Plan, and solicited faculty reaction to the Mission Statement and Five Year Plan by November 20. Additional copies of the statement and plan will be available from his office next week, he said.

LATEST ADMISSIONS REPORT SHOWS DEPOSITS PAID BY 1,992 NEW STUDENTS

According to latest reports available from the College admissions office, a total of 1,992 new students (freshmen, transfers, readmitted students, foreign students and visiting students) have paid admissions deposits signifying their intent to enroll at Plattsburgh State this fall. Though final figures on new student and total student enrollment will not be available until the end of the add/drop period in October, the deposits paid indicate the new student enrollment will allow the College to maintain an average annual total enrollment for 1977-78 which is approximately equivalent to enrollments last year. Following is the breakdown of deposit-paid students according to programs in which they are expected to enroll:

DOH, GRANT AND SKOPP INVITED TO ADDRESS COLLEGE COUNCIL SEPTEMBER 14

President Burke has invited Faculty Senate Chairman Herman Doh, Student Association President Thomas Grant and United University Professions President Douglas Skopp to address the College Council September 14 regarding the proposed Five-Year Plan for the College. The meeting, scheduled to begin at 3:30 p.m. in the College Center Ballroom B, will be devoted primarily to discussion of the Plan. If time allows, the Council will also hear a report on the Mission Statement from Vice President for Academic Affairs Thomas Porter, and a report on admissions from Vice President for Student Affairs Thomas Aceto. The public is invited to attend.

NEW STUDENTS WELCOME AT PRESIDENT'S HOME SUNDAY

President Burke will welcome all new students during a reception at his home Sunday afternoon from 1:00 until 5:00. The President's home is located at 134 Court Street, opposite Hawkins Hall. In the event of rain, the reception will be postponed one week.

AN ACTIVE CAMPUS GREETS NEW STUDENTS

In addition to the President's reception planned Sunday, (see above), a variety of tours and other campus activities have been planned during September to acquaint new students with the Plattsburgh campus and lifestyle. Vice Presidents Porter and

Aceto, who have coordinated the program in conjunction with the student activities staff, encourage faculty and returning students to take advantage of planned and informal activities to meet the College's newest students and to make them feel at home at Plattsburgh. We call your attention to This Week's Calendar on the back of this issue for a complete listing of tours and events planned through September 16. Additionally, tours of the new Feinberg Library are scheduled daily from 9:00 a.m. through 3:30 p.m. through the month of September. Subsequent issues of *Weekly* will carry details of a Champlain Chamber, Music Series (first recital September 28), the SUNY/Plattsburgh Lecture Series (first lecture September 21), Tuesday Reflections (first meeting September 20), and other welcoming activities. The "ASK ME!" badges which have proliferated on campus are another sign of the unified campus efforts to welcome new students entering this fall.

GRADUATE AND RESEARCH RESPONSIBILITIES ASSUMED DURING SEARCH FOR DEAN

A search committee will be activated soon to seek a new Dean for Graduate Studies and Research. In the interim prior to appointment of a new dean, Robert Ellsworth and Robert Moll will assist faculty in finding sources and preparing applications for research grants, and responsibilities pertaining to graduate students will be coordinated through the Office of the Vice President for Academic Affairs. In their role of providing assistance to faculty seeking research funding, Ellsworth and Moll will operate from the Dean's office in Room 301 of the Kehoe Administration Building. Moll will work from the office on weekday mornings and will assist faculty with procedural and administrative items such as review of applications and formulation of budgets. Ellsworth will work from the office weekday afternoons and will assist faculty in identifying likely sources of funding and in preparing grant proposals.

MOROCCO APPOINTED DIRECTOR OF COUNSELING AND CONSULTATIVE SERVICES

A nation-wide search has resulted in appointment of Paul Morocco to the position of Director of Counseling and Consultative Services in the Student Affairs Division. A six-member campus search committee selected Morocco from among approximately 50 applicants for the job. Morocco joined the Plattsburgh faculty as a residence hall director in 1968, and has served as a counselor since 1969. He holds bachelors and masters degrees from Springfield College, and will defend his doctoral dissertation this fall at Indiana University. He has been working toward his doctorate in the areas of counseling psychology and research methodology during a combined two-year sabbatical leave and leave without pay.

CALENDAR REVISED TO OBSERVE ROSH HASHANAH, YOM KIPPUR

Plattsburgh's 1977-78 College Calendar was revised at the end of July to conform with a new University Trustees' policy suspending classes on Rosh Hashanah and Yom Kippur. Note that the revision affects administrative offices and academic areas of the College in different ways. Classes will not meet on September 13 (Rosh Hashanah) and September 22 (Yom Kippur), but administrative offices will be open. Classes will meet on Columbus Day (October 10), but administrative offices will be closed in accordance with the State's contract with civil service employees.

SEVERAL DEPARTMENTS, SERVICES RELOCATED

Faculty and students are alerted to the relocation of several academic departments and campus services. The Human Development Center located in the former College Center Bookstore now houses counseling services, career planning and placement, and the office of residential life. Admissions and financial aids offices have been moved from the second to the fourth floor of the Kehoe Administration Building. The Vice President for Student Affairs and the Upward Bound program now maintain offices on the second floor of the Kehoe Administration Building. The Educational Opportunity Program is housed in the new Feinberg Library. Departments of computer science, sociology and criminal justice are now housed in the old library building on Beekman Street (now identified as Faculty Office Building II). The psychology department and Psychological Services Clinic now maintain offices solely in Beaumont Hall (Science II).

PRESIDENT BURKE HEADS UNITED WAY FUND DRIVE IN CLINTON COUNTY

College President Joseph C. Burke has been named chairman of the 1978 United Way fund drive in Clinton County. At a press conference this afternoon in the Kehoe Administration Building, Dr. Burke announced that the fund drive, beginning October 1, will seek \$275,000 in contributions to support 18 United Way agencies. This year's goal for the County-wide effort represents an increase of \$54,000 over the 1977 goal, and the total of 18 agencies receiving support from the drive is four greater than the number supported last year.

Vice President for Finance and Management Bernard J. Seawell will serve as College Division chairman for this year's campaign, coordinating fund-raising efforts on the Plattsburgh State and Clinton Community College campuses. Seawell will also direct the Plattsburgh State United Way campaign which has a goal this year of raising \$17,500 in fair share contributions from students, faculty and staff. United Way is the only fund

drive authorized on the Plattsburgh campus, and the College is traditionally a strong supporter of the County's united appeal campaign. The Plattsburgh State goal of \$17,500 represents anticipated contributions of \$16,000 from faculty and staff and \$1,500 from students.

TAC SAVES OR CREATES 716 JOBS

According to a report released recently by the Economic Development Administration, U.S. Department of Commerce, the Technical Assistance Center at Plattsburgh State was responsible for creating 385 new jobs and for saving another 331 during the 1976 report year. EDA provides financial assistance to help TAC conduct its program in a 16-county area of northern New York.

The Center's extensive program of assistance in planning orderly economic growth in connection with the Winter Olympic Games to be held in Lake Placid in 1980 highlights the report. Additionally, the document reviews TAC's role in helping small businesses solve accounting, marketing or management problems; in advising companies interested in locating in its service area on the availability of sites and start-up procedures; in helping county governments to promote tourism; and in helping factories threatened by closure to reorganize and reopen.

It's full-time professional staff of six persons emphasizes the team approach in providing service to clients at their places of work. Plattsburgh State faculty, student interns and professional staff serve as a personnel resource to the Center on short-term projects.

FACULTY SENATE RESOLUTION URGES CONSULTATION ON 5-YEAR PLAN

Monday's meeting of the Faculty Senate was given primarily to discussion of the proposed College Budget for 1978-79 and the President's proposed five-year plan for the College. The Senate received the report, prepared by its budget and resources committee, which the President consulted prior to formulating the budget and plan. A resolution adopted by the Senate recommends that the five-year plan not be implemented until "adequate consultation" has taken place with the Faculty Senate and faculty. (In his opening address to faculty last week, President Burke solicited reaction to the five-year plan and the campus mission statement by November 20).

FIRST COLLEGE FIELD DAY PLANNED SEPTEMBER 25

A campus committee is completing planning now for a College Field Day scheduled September 25 (a Sunday) from 1-4 p.m. on the athletic field adjacent to Memorial Hall. The first-ever All College Field Day for students, faculty and staff will include a variety of team sports and a concession stand. Four coordinators will begin arranging teams for sporting events during the coming week, and posters and announcements in campus news media will report the complete schedule as it is finalized.

SUMMER ENROLLMENT TOTALS 1,318

Plattsburgh State's 1977 Summer Session attracted 1,318 graduate and undergraduate students to a variety of courses, workshops and special programs. Included in that total are approximately 250 school administrators who attended the 21st annual National Leadership Workshop August 1-12. Not included in the total are approximately 265 young persons who attended the College's first-ever summer hockey school; approximately 100 boys and girls who attended the basketball day camp; and approximately 250 Clinton County youngsters who participated in a National Youth Sports Program offered by the College in conjunction with the NCAA.

DR. PASTI FIRST FALL LECTURER IN SUNY SERIES

The SUNY/Plattsburgh Lecture Series will begin its 1977 fall program Wednesday (September 21) when Dr. George Pasti, Jr. delivers a lecture on "China After Mao: An Assessment of Recent Political Developments." The lecture, beginning at 7:30 p.m. in Room 106 of Hudson Hall on the Plattsburgh State University College campus, is open to the public, free of charge.

PROFESSIONAL DEVELOPMENT SERIES BEGINS TONIGHT

Dr. Harold Gray Shane, distinguished professor of education at Indiana University, will lecture on the topic "America's Next 25 Years: Some Implications for Education," this evening (September 15) at the first presentation in the College's Professional Development Series at Plattsburgh State University College. The series is sponsored by the Faculty of Professional and General Studies, and the public is invited to attend. Dr. Shane's address will begin at 7:30 p.m. in the Ballroom of the Plattsburgh State College Center.

Less formal discussion sessions are planned with Dr. Shane on Friday morning (September 16) in the Cardinal Lounge of the College Center. Friday morning from 9:00 until 10:15 he will discuss "Concerns in the Public Education Sector," and from 10:30 until 11:15 he will focus on "Concerns in the Higher Education Sector."

SAKELL PRESIDENT OF PLATTSBURGH A.A.U.P.

Plattsburgh's chapter of the American Association of University Professors has announced its officers for the 1977-78 academic year. They are: President, Dr. Venice Sakell; Vice President Dr. Robert Withington; Secretary, Dr. Anna Messer; Treasurer, Dr. Martin Hasting.

DEADLINE SEPTEMBER 16 FOR NON-CREDIT COURSE DESCRIPTIONS

Persons planning to instruct non-credit courses under the auspices of the College's Continuing Education program are reminded that the deadline for filing non-credit course descriptions for the **spring** semester is September 16. For more information, call Richard Gifford (564-2050).

FACULTY/FAMILY SWIM PERIODS BEGIN SATURDAY

Memorial Hall Pool will be opened to faculty and staff and their families each Saturday afternoon from 2:00 until 4:00 beginning this Saturday (September 17) and continuing through the academic year. Family swimming sessions are cancelled on days which conflict with the varsity swimming schedule.

AKEBA HOSTS RECEPTION SATURDAY

Akeba, the campus Black Cultural Organization, will host a reception for new students Saturday evening beginning at 8:00 in the Cardinal Lounge of the College Center. All interested persons are invited to attend.

DEADLINE NOTED FOR FACULTY RETRAINING

Faculty are reminded that applications for faculty retraining grants (sponsored by the U.S. Fund for Improvement of Post-Secondary Education) should be accompanied by applications for sabbatical leave, and the deadline for applying for sabbatical leave for the 1978-79 academic year is January 15, 1978. Contact Deans' offices for more information on retraining grants.

DONAHO APPOINTED DIRECTOR OF CONTINUING EDUCATION

Dr. Melvin Donaho, professor of communication and former coordinator of general studies, has been appointed Director of Continuing Education with responsibility for administering the general studies and liberal studies programs, summer and evening sessions, conferences, workshops, seminars and the College non-credit program. He is assisted by a professional staff of two persons.

LEACH ACCEPTS POST AT EISENHOWER COLLEGE

James Leach, director of the College news bureau since 1970, will leave Plattsburgh September 15 to accept appointment as director of public relations at Eisenhower College in Seneca Falls, New York. A search committee is forming now to recruit and screen applications for his position in the Office of College Relations.

ALL-COLLEGE FIELD DAY, 'CARDINAL CAPERS,' SCHEDULED FOR SUNDAY

A broad-based campus committee met this morning to finalize plans for "Cardinal Capers," an afternoon of fun and friendly competition involving all segments of the campus community and its population, to be held this Sunday on the playing field area adjacent to Memorial Hall. Events in softball, touch football, frisbee toss, relay races, volleyball and push ball have been scheduled for 1-4 Sunday afternoon, with activities to be switched to the College Field House in the event of rain.

Event organizers are hopeful that as many as 400 students and faculty, staff, clerical and custodial employees at Plattsburgh State will sign up to participate in the competition, and that hundreds of others will turn out in support of the field day. College Food Service will cater the event, selling hot dogs, soda, beer, popcorn and other goodies normally peddled at sporting events in the nation's major ball parks.

Recruitment efforts began by word-of-mouth earlier in the week by coordinators assigned to each team who are operating from various locations on campus. Meanwhile, any member of the campus community may sign up to participate in "Cardinal Capers" at one of the locations listed in *This Week's Calendar*. "Cardinal Capers" will culminate a series of activities implemented at the College this fall designed to welcome students to the Plattsburgh State campus.

REACTION TO FIVE-YEAR PLAN PROPOSAL DUE NOV. 20

Campus constituencies have until Nov. 20 to respond, in writing, to the Five-Year Plan proposed for this College. All comments and suggestions for revisions should be submitted to the President's Office.

President Burke explained that the plan represents an attempt to maintain as many programs as possible, while ensuring that every one offered is staffed by the minimum number of faculty to assure quality. It spreads the loss of positions and programs over five years in order to give faculty and departments sufficient time to adjust and to guarantee that current majors in programs marked for elimination may complete their degrees. The President's position in respect to the plan was outlined in his address to faculty at the beginning of the fall semester. The text of his address has been duplicated, and is currently being circulated to all faculty.

The President noted that he expects to receive many suggestions regarding which positions and programs should be left intact. He said such comments would be welcome, but added that they should be accompanied by suggestions of where and how more appropriate cuts can be made.

LT. GEN. MANOR, '40, TO RECEIVE HIGHEST ALUMNI AWARD

Lieutenant General LeRoy J. Manor, a North Country native and a 1940 graduate of the College (then, Plattsburgh Normal School) will receive the Alumni Association's "Alumnus-of-the-Year" award, the association's highest citation, during Homecoming Weekend banquet ceremonies on Saturday, Oct. 8. The Alumnus of the Year is currently Chief of Staff, Pacific Command, at Camp Smith, Hawaii, where he is responsible to the Commander in Chief of the Pacific for management of key military staff activities requiring coordinated Air Force, Navy, Army and Marine Corps operations. The Air Force General, a command pilot with more than 6,500 flying hours and a long list of coveted decorations, was selected for the award by a committee of alumni board members. He was the overwhelming choice from among candidates screened on the basis of their "professional distinction and national or community service which has brought recognition and honor to the College. General Manor, 56, achieved international recognition in November, 1970 when he commanded a joint task force whose mission was to search for and rescue United States military personnel held as prisoners of war at Son Tay, North Vietnam.

General Manor, who was born in nearby Morrisonville, is expected to be accompanied at Homecoming activities by his wife, the former Dolores Brookes, also a graduate of the class of '40. Their son, Alan, one of three Manor children, is a 1964 graduate of the College.

COLLEGE WELCOMES NEWCOMERS TO FACULTY AND PROFESSIONAL STAFF

Information supplied by the Office of the Vice President for Academic Affairs shows that 25 individuals are new to the Plattsburgh State faculty this semester as full-time members of the instructional staff. All are filling positions left vacant because of resignations or retirements.

Additionally, four persons have joined the College to fill vacancies in the professional staff, and another seven have accepted appointments as temporary, full-time replacements for faculty on leave from the College.

The newcomers to the faculty, their rank and discipline together with their highest degree earned and institution, are as follows:

Faculty of Arts and Science — C. NEW CHAMBER MUSIC SERIES DEBUTS WEDNESDAY

Plattsburgh Music Department faculty Yenoin Guibbory, violinist, and Elizabeth Hayden, pianist, will present the first concert of the Champlain Chamber Music Series next Wednesday at 8 p.m. in Hartman Theatre. The recital will feature sonatas by Beethoven, Ravel and Brahms. Guibbory and Hayden are members of the Champlain Trio.

The series of monthly concerts new this year, will feature the members of the Champlain Trio, guest artists, and visiting ensembles including the New Hungarian Quartet and the Dorian Quintet, presented through the auspices of the Artist Series. The series will include the following events through December: The New Hungarian Quartet, (October 25); Robert Cencelosi, cello, and Susan Aceto, piano (November 3); and the Champlain Trio, with guest artist Yuri Mayer, violinist, (December 17). Further details will appear in future issues of *Weekly*.

BUSY WEEKEND AT HOME FOR CARDINAL VARSITY SPORTS TEAMS

A football game at 4 p.m. tomorrow (a late addition to the schedule) will launch a hectic weekend of home varsity competition involving Cardinal sports teams. Friday's gridiron battle will pit Coach John Williams' Cardinal eleven against the "B" team from Middlebury College. Middlebury fields a varsity squad at the ECAC Division II level; Plattsburgh is a Division III team. The late afternoon contest, the Cards' home debut, will be played at the Field House stadium. The Cardinals are coming off a disappointing 14-14 opening game tie last weekend with Marist College in Poughkeepsie. Plattsburgh led the entire game, but had to settle for a tie when a Marist interception with 1:39 to play opened the door for the equalizing touchdown and two-point conversion.

On Saturday, Coach Dave Robertson's varsity tennis team will take on State University rivals Oswego and Potsdam in doubleheader action. The Cardinals will meet Oswego's Lakers at 10 a.m. at the Field House courts, then return to that site for a 2 p.m. encounter with Potsdam.

Also on Saturday, the Cardinal varsity soccer team will launch its home season against Clarkson College at the Field House. Game time is 2 p.m. The Cardinal booters, who opened against powerful University of Vermont on Wednesday, are coached by Nick Goddard.

COLLEGE FOUNDATION AT 94% OF ITS \$100,000 GOAL

The Plattsburgh College Foundation is at 94% of its fund raising goal of \$100,000 for 1977. This was the report today from E. Glenn Giltz, president of Northern Insuring Agency, Inc., who heads the Foundation. Fund areas which have surpassed their goals include: corporate giving \$16,150; endowments, \$33,919; and foundations/organizations, \$4,589.15. In 1976 the Foundation raised a total of \$80,937.11 for scholarships for needy undergraduates.

New corporate gifts to the Foundation include: A.N. Deringer, Inc., \$250; Bonanza, \$250; Ormsby's Sports World, \$250; and Plattsburgh Distributing Company, \$500.

CAMPUS, COMMUNITY COMMITTEE PLANNING 'VOLUNTEER FAIR'

A committee of six has been formed to plan and present a Volunteer Fair to be held on campus sometime next month. The committee, organized at the suggestion of Vice President for Academic Affairs Thomas A. Porter, has been requested to "provide an opportunity for community agencies to explain their functions and to request volunteer help from students, faculty, staff and members of the community at large."

The lobby of the Myers Fine Arts Building has been selected tentatively as the site of the Volunteer Fair, and the committee has been asked to consider a date between October 10 and 14 for its presentation. Margaret Nielsen, assistant professor of sociology, has agreed to chair the committee. Her co-planners include faculty members Jane Gore of Child and Family Services and Jaimie Trautman, director of Student Activities; Student Association representative Martine Carlton; and community representatives Katherine Felty of the Council of Community Services and Shana Rivers of the North Country Girl Scout Council.

Vice President Porter said he believes the fair can be an excellent means for relating the College and its people to the community in a highly constructive manner. "We are grateful to community agencies for the help they provide through supervised internships," he said. "This is a way for the College to reciprocate in some measure."

Further details regarding the Volunteer Fair will be announced in subsequent issues of *Weekly*.

ADMISSIONS WORKING TO RECRUIT NATIONAL MERIT SCHOLARS

The College's Admissions Office has launched a program designed to attract students to campus who have been identified as "highly qualified, academically." Working with a list of students who scored among the top 49,000 of one million eligible participants in the 1978 National Merit Scholarship Program — students who have indicated an interest in attending Plattsburgh State — admissions staff have written letters of congratulations to each, and have expressed to each their willingness to help them plan their educational careers. Admissions Director David Truax said that the names of the Merit Scholars (the list contains 17 prospective students from all parts of New York State) have been forwarded to appropriate faculty with a request that faculty contact the students and invite them to campus. Additionally, admissions counselors plan to make a special effort to meet with the National Merit Scholars individually when visiting their schools in the coming months.

VISITING FOREIGN THEATRICAL COMPANY PERFORMS HERE SUNDAY

The Theatre Laboratoire Vicinal from Brussels, Belgium, will present the internationally acclaimed production, "I," in the studio theatre of the Myers Fine Arts Building at 8 p.m. on Sunday. "I" is a one-woman show featuring American-born actress Anne West. Tickets for the performance are 50 cents for Student Association members, and \$2.50 each for the general public. Seating in the studio theatre is limited, so early reservations are advised. Reservations may be made by calling 564-2283 between 1 and 4 p.m. through Friday, or from 7 p.m. until show time on Sunday. Theatre-goers will not have to understand French in order to enjoy the performance.

REGENTS SCHOLARSHIP DEADLINE IS TOMORROW

Students interested in applying for Regents scholarships for professional education in medicine or dentistry have until the end of the working day tomorrow (Sept. 30) to file the appropriate forms. The scholarships are available to residents of New York State who plan to apply to a medical or dental school for admission in September, 1978. Applications and further information are available from Tom Corigliano, coordinator of academic advisement. His office is in room 314 of the Kehoe Administration Building.

NOMINATIONS SOUGHT FOR DANFORTH, TRUMAN AWARDS

Nominations are being sought for "promising" undergraduates at the College to compete as candidates for the prestigious Danforth Graduate Fellowship and Harry S. Truman Scholarship awards. The deadline for applications for either award is November 4.

Danforth Fellowships are restricted to seniors who are committed to careers in college or university teaching and who plan to pursue the Ph.D. in the Liberal Arts. Only four Plattsburgh students may be nominated as candidates for one of up to 65 Danforth Fellowships to be awarded in national competition this year. Truman Scholarships are awarded to students preparing for careers at any level or in any function of government. The College is allowed one nomination for the award, and only current sophomores are eligible. The Plattsburgh nominee will compete with college and university nominees from throughout New York State for the one Truman Scholarship to be awarded to a state resident.

Faculty may recommend students as candidates for either award, or students may apply directly. Further information about the awards, their criteria, stipends, etc., may be obtained from department chairpersons on campus or from the College's Liaison Officer, Dean Philip B. Clarkson of the Faculty of Arts and Science (Hudson Hall, room 101, ext. 3150). Flyers, posters and announcements in Cardinal Points will provide further details.

POTSDAM BRASS GROUP TO PERFORM HERE NEXT FRIDAY

The Potsdam Brass Quintet will perform in Hartman Theatre next Friday (October 7) at 8 p.m. The concert, presented by the Music Council and the Artist Series of the Student Association, will be presented as an activity observing Homecoming Weekend. The renown, colorful group, featuring trumpets, horn, trombone and tuba will feature a variety of music from the Baroque through the Twentieth Century. Student Association members will be admitted free of charge. Tickets for the general public will be \$2.50 each. Students are invited to attend a Friday workshop presented by the Potsdam group at 2 p.m. in room 300 of the Myers Fine Arts Building.

PLANETARIUM SHOW FEATURES OCTOBER 'EVENTS ALMANAC'

"Ephemeris, October 1977" is the title of the first Planetarium Show of the fall semester, scheduled for 7:30 p.m. Friday in Hudson Hall. The program, described as an "astronomical events almanac of October skies," is open to all free of charge. Tickets may be picked up during normal working hours in room 101 of Hudson Hall through Friday.

LECTURE SERIES CONTINUES WITH COHEN ON 'HEALTH CARE'

The second in the lineup of fall semester SUNY Lecture Series programs featuring Plattsburgh State faculty discussing contemporary problems and issues will be devoted to the topic, "Has Human Health Care Improved in 10,000 Years?". Dr. Mark Cohen, associate professor of anthropology, will be guest lecturer for the program, which will be held next Thursday at 7:30 p.m. in room 106 of Hudson Hall.

SOCER VS. POTSDAM HIGHLIGHTS WEEKEND SPORTS CARD

Coach Nick Goddard's Cardinal soccer team will clash with arch-rival Potsdam State Saturday at 2 p.m. at the Field House. The State University Athletic Conference battle will highlight an otherwise light weekend home schedule for Plattsburgh fall sports teams. On Sunday, the College's women's field hockey team will host the Mohawk Valley Field Hockey Association squad in a 2 p.m. contest at Memorial Hall field. Leith Bardon coaches the Cardinal women.

CORRECTIONAL FACILITY SEEKING VOLUNTEERS

Clinton Correctional Facility at Dannemora is seeking volunteers to assist in a variety of programs underway at the institution. Placement opportunities for student volunteers include tutoring and instruction of inmates, helping in the facility's athletic program, working with inmates in the reading laboratory, and assisting with office duties. Interested individuals are asked to contact Nancy D. Barkley, coordinator of volunteer services at the facility, at 561-3262, ext. 209, or at 492-7921.

HOMECOMING ACTIVITIES SWING INTO HIGH GEAR TOMORROW

Homecoming '77 begins in earnest Friday, culminating months of planning by undergraduate committees and the leadership of the Plattsburgh Alumni Association. Activities continuing through Sunday evening include luncheons, cocktail parties, dinners, fireworks, dances, movies, the annual Homecoming Parade through the business section of the city and the Alumni Association's Awards Banquet on Saturday night. "Land of the South" is the theme of the 1977 Homecoming parade.

Upwards of 550 alumni are expected to return to campus this weekend and will begin their Homecoming celebration at a wine and cheese party on Friday evening in the lounge of Clinton Dining Hall. Undergraduates will kick off their weekend activities on Friday at 8 p.m. at a disco party in the College Center courtyard.

Sixty-eight alumni have registered for Saturday's Golden Anniversary luncheon which will honor graduates from the Class of '27 and earlier. Alumni from nine other honored classes have also scheduled Saturday class luncheons at various locations in the area.

The Plattsburgh State Cardinal football team will meet RPI at 1:30 p.m. in the annual Homecoming Weekend contest at the Field House stadium. During halftime ceremonies the President's Cup for community service, the Scholastic Cup for academic achievement and awards for Homecoming float competition will be presented by President Burke.

Alumnus-of-the-Year, Lt. Gen. LeRoy J. Manor, will be honored guest at Saturday evening's President's reception, banquet and dance for alumni at the College Center. For the first time, the Alumni Association also will present two other awards: the Distinguished Faculty Teaching Award and the Distinguished Alumni Service Award.

On Saturday evening the Homecoming Queen will be crowned at the undergraduate semi-formal dance in the gymnasium of the Field House that is scheduled to begin at 9 o'clock. Voting for the queen will take place from 4 to 7 p.m. today in the dining halls and at the College Center.

Homecoming activities conclude Sunday evening with free movies for the undergraduates in the large auditorium of Hawkins Hall.

CAMPUS UNITED WAY DRIVE TO BEGIN SOON

Organization of this year's United Way fund drive on campus is in the final stages. Vice President for Finance and Management Bernard J. Seawell, United Way College Division chairman, said the campaign to raise \$17,500 in contributions from faculty, staff and students at this College and at Clinton Community College will be initiated "in the very near future." United Way is the only fund drive authorized on the Plattsburgh campus. The College Division goal represents expected contributions of \$16,000 from faculty and staff and \$1,500 from students.

VOLUNTEER FAIR SCHEDULED FOR NEXT WEDNESDAY

A Volunteer Fair — a program designed to provide opportunity for community agencies to explain their functions and to enlist volunteer help from students, faculty, staff and community residents — will be held Wednesday (Oct. 12) from 10 a.m. through 4 p.m. in the first floor lobby area of the Myers Fine Arts Building. Representatives of various community service agencies will be present to explain the objectives of their programs and the roles volunteers can perform in providing services to their neighbors in the local region. The Fair is being planned by a campus/community committee chaired by Margaret Nielsen, assistant professor of sociology. In sponsoring the event, the College has acknowledged its gratitude to community agencies which provide supervised internships to students. "This is a way for the College to reciprocate in some measure," said Vice President for Academic Affairs Thomas A. Porter, who urged widespread campus support of the event.

COLLEGE COUNCIL MEETS TUESDAY

The October meeting of the Plattsburgh College Council will be held at 3:30 p.m. on Tuesday (Oct. 11) in the Cardinal Lounge of the College Center. The meeting agenda had not been finalized as of press time. However, copies of the agenda will be available at the door. College Council meetings are open to all.

ADMISSIONS 'COLLEGE NIGHT' PROGRAM SET FOR THURSDAY

Representatives of approximately 100 public and private colleges and universities located in New York State and throughout New England will participate in a "College Night" program for prospective students, their parents and friends to be held next Thursday (Oct. 13) in the basketball arena at the College Field House. Students attending high schools and two-year colleges in the northeastern part of the state have been invited to attend the program, scheduled for 7 to 9:30 p.m. on Thursday. The College Night event at Plattsburgh is being coordinated by the Plattsburgh State Admissions Office staff.

INFORMAL HEARING ON 5-YEAR PLAN SCHEDULED FOR WEDNESDAY

The Faculty Senate Standing Committee on Undergraduate Studies has scheduled an informal hearing centering on discussion of the President's proposed Five-Year Plan for the College next Wednesday (Oct. 12), from 1 to 5 p.m., in conference room 101 of Hudson Hall. Interested members of the campus community are invited to attend all or any part of the hearing session.

GIVE YOUR FAIR SHARE THE UNITED WAY

USAF 'AMBASSADORS' PERFORM HERE NEXT THURSDAY

The Ambassadors, the stage/show band of the 590th Air Force from McGuire Air Base, N.J., will perform at 8 p.m. next Thursday (Oct. 13) at 8 p.m. in the large auditorium of Hawkins Hall. The performance will be open to the public. Admission is free.

COHEN PURSUES 'HEALTH CARE' QUESTION THIS EVENING

Has human health care improved in 10,000 years? Dr. Mark Cohen, associate professor of anthropology, will debate the question Thursday (Oct. 6) at 7:30 p.m. in room 106 of Hudson Hall. In pursuing the topic, Cohen will attempt to put into perspective the role of human 'progress' as a generator of new diseases. He will suggest, also, that even Western medicine is not so much an advancement over that of other cultures as it is an adaptive response to special problems which Western cultural style dictates. "Western medicine," he asserts, "may not be as generally appropriate to others as we would like to believe."

The program with Cohen is one in the continuing SUNY/Plattsburgh Lecture Series featuring Plattsburgh State faculty discussing contemporary problems and issues. Lecture Series programs are open to all, free of charge.

SCULPTRESS, 'MARISOL,' TO LECTURE HERE

Marisol Escobar, an artist acclaimed internationally for her satiric, multi-media sculpture, will present a slide-lecture program of her work at 3 p.m. Thursday (Oct. 13) in Room 208 of Yokum Hall. The program will be open to all, free of charge. A reception for the artist will be held from 8 to 10 p.m. Thursday in the Cardinal Lounge of the College Center.

Known professionally as "Marisol," the sculptress has achieved fame for her satiric, multi-media creations. Her assemblages frequently involve female figures and faces formed in her own image. The often unusual placement of her own features adds a rather surreal element to her work. The artist's visit is being sponsored by the Campus Arts Council as part of its "Contemporary Visual Artists Series."

State University College at Plattsburgh • Oct. 13, 1977

FUNDING OKAYED TO RAZE RUINOUS HOSPITAL BUILDING

State University has approved emergency funding for the demolition of the former Champlain Valley Hospital, which is located south west of the new Feinberg Library. Vice President for Finance and Management Bernard J. Seawell said the 75-year-old structure is expected to be leveled in January.

Seawell's announcement came at Tuesday's meeting of the College Council. Vice President for Academic Affairs Dr. Thomas Porter reported on the mission statement. Preliminary enrollment figures were presented by Vice President for Student Affairs Dr. Thomas P. Aceto. Don Garrant, assistant to the president for college relations, discussed gift income as it relates to the Plattsburgh College Foundation, and Thomas Williamson, director of the Technical Assistance Center, reported to the Council on the activities of TAC.

The next Council meeting will be held on Monday, November 14 at 3:30 p.m. in the Cardinal Lounge of the College Center. Council meetings are open to the campus community and the public.

SA SCHEDULES FORUM ON FIVE-YEAR PLAN

A discussion of the Five-Year Plan and its implications for each academic department will be the topic of a Student Association Forum to be held on Tuesday, Oct. 18 at 7:30 p.m. in Ballroom A of the College Center. SA President Thomas Grant has asked each academic department to send a representative to the meeting to report on the effects the plan could have on the various departments of the College. The meeting is open to all students and faculty.

SENATE DISCUSSES BYLAWS REVISION

Wednesday's meeting of the Faculty Senate was devoted to a discussion of the proposal from the Executive Committee to amend the Bylaws to redefine the Standing Committee on Budget and Resources. No action was taken on the proposal, which was drafted in an attempt to clarify "participation by the faculty in matters of budget and planning." The text of the resolution was distributed to all faculty in a resolution from the Executive Committee dated September 30.

ALUMNI BOARD SUPPORTS SECOND LEADERSHIP CONFERENCE

The Alumni Board of Directors has voted to conduct a second Alumni Leadership Workshop Conference, to be held early in June of 1978.

This project, held for the first time last spring, attracted 42 alumni leaders to campus from all parts of New York State for almost two days of intensive reorientations with the College and its mission, and for an in-depth examination of their potential as a resource in helping Plattsburgh State achieve its goals.

At its fall meeting, held Sunday morning, the alumni board approved an operational budget of \$31,550 to conduct various programs for alumni, undergraduates, and for parents of students currently enrolled at the College. All current officers of the Plattsburgh Alumni Association were re-elected for another one-year term. The slate is headed by Adrian "Bill" Wood '39, elementary principal at Chateaugay Central School.

IRANIAN EXHIBITION OPENS THIS WEEKEND

The House of Iran in Montreal, in cooperation with the Student Activities Office, will present an exhibition of Iranian handicrafts in the Cardinal Lounge of the College Center beginning Friday (Oct. 14) at 8 p.m. The event, marking the first time the 1,001-piece, hand-made collection will be exhibited in the United States, will continue for public viewing through Wednesday, October 19. Friday's opening and reception is by invitation only. On Saturday and Sunday the exhibition will be open to the public from 1 to 9 p.m.; during the week it will be open from 1 to 4 p.m. and from 7 to 9 p.m. Groups from area schools are invited to visit the exhibition from 9 to 11 a.m. during the week.

The hand-made nature of the art, made primarily in the Iranian cities of Isfahan, Chiraz, Mashad, Hamedan and Tehran, ensures that each piece is unique. Masterpieces in the exhibit and sale include Kilim tapestries, stitched in wool; painting on woods, ivories and leathers; ceramics; potteries from Isfahan, polychrome potteries; silk prints; silvers; coppers, hand-painted glasswares; silver-and-gold jewelry encrusted with turquoises, miniature jewelry chests of Khatam inlays, encrusted with threads of zinc and copper and decorated with Persian miniatures.

FORENSIC UNION HOSTS WEEKEND TOURNAMENT

The Plattsburgh State Forensic Union is hosting its 7th Annual Forensic Tournament this weekend. The events include a variety of individual speaking competition and debate. Tournament activities are scheduled for the College Center and Fine Arts Building and will run from 1 to 8 p.m. on Friday, continue from 8:30 a.m. and 5 p.m. on Saturday. More than 15 institutions are expected to compete in the tournament. The field includes Forensic Squads from West Point, Princeton, Columbia, Penn State, University of Vermont, Emerson, Cortland State and Southern Connecticut State, among others.

The campus community and the general public is invited to observe the rounds in progress. Specific events schedules will be available in the lobby of the College Center both days of competition.

PUBLIC SKATING BEGINS AT THE FIELD HOUSE

Public skating hours begin Saturday at the Field House ice arena with sessions scheduled Saturdays from 10:30 a.m. until Noon and from 1:30 to 3 p.m. Admission is \$.75 for the general public and \$.50 for students and faculty with identification cards.

GIVE YOUR FAIR SHARE THE UNITED WAY

'I QUIT WORKSHOP' BEGINS MONDAY

An "I Quit Workshop," a clinic of six meetings for smokers who want to kick the habit, begins Monday (Oct. 17) at the Champlain Valley Physicians Hospital Medical Center. The clinic will meet from 7 to 9 p.m. on Monday and on October 19, 21, 24, 26 and 28, in the CVPH Auditorium. Monday's session will include a pulmonary function screening test to detect possible lung damage. Subsequent meetings will include small and large group discussions, films, guest speakers and new techniques designed to help the smoker discard the habit. Participation will be limited to 40 persons, so early registration is advised. Individuals may register by calling 561-6650 (Ext. 39 or 68). A \$5 registration fee is required. The clinic is sponsored jointly by the Division of General and Continuing Education at Plattsburgh State, CVPH; the American Cancer Society and the American Lung Association; the Clinton County Health Department; and the Office of Continuing Education at Clinton Community College.

WEEKLY READER PROGRAM FEATURES 'THE NOVEL AS FILM'

Wednesday's (Oct. 19) Weekly Reader program will feature Ms. Margaret Lalor, a member of the Feinberg Library staff, who will read from the published article, "The Novel as Film: Crane's *The Red Badge of Courage*." The reading, open to all, will take place in the conference room of the College Center at 4 p.m. on Wednesday.

SCULPTRESS 'MARISOL' LECTURES HERE TODAY

Satiric sculptress Marisol Escobar will present a slide-lecture program of her work today at 3 p.m. in Room 208 of Yokum Hall. A reception for the artist will be held this evening from 8 to 10 p.m. in the Cardinal Lounge of the College Center. Both the lecture and the reception are open to all, free of charge. The visit by Marisol is being sponsored by the Campus Arts Council as part of its "Contemporary Visual Artists Series."

ORCHESTRA SCHEDULES CHAMBER MUSIC PROGRAM ON SUNDAY

The Plattsburgh College-Community Orchestra, under the direction of Dr. Angelo La Mariana, has scheduled the first of two October performances of Chamber Music for this Sunday at 7:30 p.m. at the Newman Center, 92 Broad Street. Sponsored by the Music Department, the orchestra will present Judy Waltermire as French Horn Soloist in the Allegro movement of Mozart's "Horn Concerto #3 KV447." Herman Matlock will perform as Trumpet Soloist in Handel's "Concertino" in four movements: Adagio, Sarabande, Minuet and Finale.

Other works to be performed by the strings are Benjamin Britten's "Simple Symphony," Haydn's "Emperor Variations - Op. 76" and "Andante Cantabile, Op. 11" by Tschaikowsky. The concluding work is Schiassi's "Christmas Symphony."

The second concert is scheduled for Oct. 23 at 7:30 p.m. at the United Methodist Church in Plattsburgh.

COLLEGE RECEIVES VALUABLE JAZZ RECORD COLLECTION

The College's Music Department has received a gift of a collection of almost 1,000 recordings, mostly jazz, from Theodore M. Desnoyers of Malone. The gift was negotiated by Dr. James B. Miller, professor of music and a long-time friend of the donor. Mr. Desnoyers visited the campus yesterday to participate in an informal "acceptance ceremony" in the listening laboratory of the Myers Fine Arts Building, where the collection is housed. Dr. Allan Frank, chairman of the Music Department, said that many of Desnoyers' records are regarded as "priceless collector's items."

AAUP HOSTS RECEPTION FOR NEW FACULTY

The Plattsburgh State Chapter of the American Association of University Professors will host a reception for new members of the faculty on Wednesday (Oct. 19) from 4 to 6 p.m. in the Cardinal Lounge of the College Center. State University College at Plattsburgh • Oct. 20, 1971

CAMPUS UNITED WAY CAMPAIGN UNDERWAY

The campus campaign to benefit the United Way was launched officially yesterday at a late afternoon meeting of division captains and volunteer workers held at Clinton Dining Hall. "Solicitation of gifts began immediately," said Vice President for Business and Finance Bernard J. Seawell, chairman of the College Division in this year's overall United Way effort. United Way is the only fund drive authorized on the Plattsburgh State campus.

The College Division, Seawell said, is challenged to raise \$17,500 in contributions from faculty, staff and students at this College. The goal represents anticipated gifts totalling \$16,000 from employees, and \$1,500 from students. Campaign Chairman Seawell said the drive will conclude on November 15.

"Solicitors have been asked to emphasize giving via the payroll deduction method," said Seawell, "and to seek contributions from fellow employees equal to the amount each earns in one minute of every day. Additionally, we are committed to vie for one-hundred per cent participation among faculty and staff."

Organizationally, the campus campaign will be conducted in eight separate subdivisions of the College, each headed by a captain and each named for a fruit. The subdivisions and their captains are: Pineapple (Professional and General Studies) — Ross Papke; Orange (Arts and Science) — Al Hassler; Grape (General Institutional Services) — Bob Burton; Apple (Student Services) — Russ Hamilton; Banana (General Administration) — Stanley Supinski; Peach (Maintenance and Operations) — Mal Collin; Cherry (Student Organizations) — Ray Gromelski; and Fruit Salad (Food Service) — Toby Ostrowski.

STUDENT ASSOCIATION DONATES \$2,500 TO FOUNDATION

The Plattsburgh Student Association has donated \$2,500 to the Plattsburgh College Foundation. President Thomas Grant made the presentation on Monday to President E. Glenn Giltz at the Foundation's Board of Directors' meeting.

Half of the gift will be placed in the SA Endowment Fund and the other half will be used to meet the needs of students who require immediate scholarship aid.

During the past several years, the SA has provided more than \$33,500 to the Foundation to finance scholarships for Plattsburgh State undergraduates.

COLLEGE JOINS SUNY SOCIAL SCIENCE NETWORK

Joint participation by the College with 10 SUNY colleges and centers in the world's largest archive of social science data has placed a wealth of machine-readable information at the fingertips of Plattsburgh State's students and faculty.

Plattsburgh and the 10 campuses have joined together to establish the State University Social Science Network and participate as a single customer in the Inter-University Consortium for Political and Social Science Research at Ann Arbor, Michigan. A year's experience indicates that better and less expensive educational services can be provided through institutional cost-sharing.

Among the resources of ICPSR available to Plattsburgh State are studies of American and foreign elections, American election returns dating to 1789, historical and current census data, studies on the origins and causes of war and urban unrest, and economic surveys of consumer attitudes and behavior.

Social science researchers throughout the world cooperate by duplicating computerized data with ICPSR which in turn distributes them upon request to more than 275 member universities and colleges.

RESIDENCE HALLS AT 102% CAPACITY

As of October 10th, the College's residence halls were at 102% of capacity. This was the report recently from William D. Laundry, director of residence life. The total number of students living in residence halls is 2,888 — 1,700 of whom are women and 1,188 are men.

'76 OLYMPICS FILM TO BE SHOWN HERE MONDAY

The Center for the Study of Canada here, in cooperation with the SA Academic Affairs Board, will present the National Film Board of Canada's "Games of the XXI Olympiad — Montreal, 1976," on Monday (Oct. 24) at 7 p.m. in Ballroom B of the College Center. The two-hour, color film, recently released and made available to the College by special arrangement with the Canadian Consulate in New York, is described as one which "achieves behind-the-scenes intimacy that makes the viewer not merely a spectator, but a privileged participant." The Olympic camera crew covered five days of diversified events, including the opening and closing ceremonies, and condensed them to create an emotion-charged film. Individuals and teams — some winners and some losers — are studied to emphasize the skill, the strength and the endurance required for all Olympic events.

The showing is open to all, free of charge.

A week from Monday (Oct. 31) the Center for the Study of Canada will present a Canadian sports film festival highlighting champions and championship competition in professional ice hockey, football and baseball. See next week's *Weekly* for further details.

LATE NIGHT STUDY ROOM OPEN IN FEINBERG LIBRARY

Students who may be looking for a quiet, comfortable area on campus where they can study late at night are advised that a "late night study" room is reserved for them in the new Feinberg Library every day the College is in session except Saturdays, when the building closes at 5 p.m. Room 103, a large space on the first-floor level of the building, will be open for quiet study Sunday through Friday until 1 a.m. for the duration of the academic year.

CHAMPLAIN CHAMBER MUSIC SERIES PRESENTS THE NEW HUNGARIAN QUARTET

The New Hungarian Quartet will be featured in the second concert of the Champlain Chamber Music Series on Tuesday (Oct. 25) at 8 p.m. in Hawkins Hall Auditorium. The group, in residence at Oberlin Conservatory, is acclaimed internationally as one of the world's foremost chamber music ensembles. Composed of Andor Toth and Richard Young, violins, Denes Koromzay, viola, and Andor Toth, Jr. cello, the ensemble will perform works by Mozart, Bartok and Mendelssohn. The group's appearance in Plattsburgh is made possible through the student-funded Artist Series. Reserved tickets will be available at the College Center (Student Association tickets only), at the Hartman Theatre Box Office, and at the door on the night of the concert. SA members may receive free tickets upon presentation of their ID. Admission for the general public will be \$2.50; for members of the Council on the Arts for Clinton County, senior citizens and students, the admission will be \$2.00. Children under 12 will be admitted free of charge.

LECTURE SERIES FEATURES GHAZALEH ON PALESTINE PROBLEM

The on-going SUNY/Plattsburgh Lecture Series will feature Adnan Ghazaleh who will discuss "Arab Response to Zionist Settlement in Palestine: A Cultural Dimension" next Wednesday at 7:30 p.m. in Room 110 of Ward Hall.

The lecture, open to all, will deal with the Palestine problem prior to the establishment of Israel. It will trace the Palestinian Arab Intellectuals' response to the Zionist settlement in Palestine from the 1880's, when specific regulations were issued for Jewish immigration to Palestine, to the end of the British mandate. Particular attention will be given to the appearance of a body of Palestinian Arabic literature — creative, political, historical — which integrated national themes with literature in such a way as to impress national consciousness on those who were exposed to it.

SELF-HELP GROUP FOR STUTTERERS CONVENES THIS EVENING

An organization calling itself "Self-Help for Stutterers Group (SHFSG)" will meet for the first time this evening (Oct. 20) at 7 p.m. in Room 242 of the Sibley School (ERDC). Representatives of the organization said their purpose is to provide opportunity for all who stutter to informally discuss and share their experiences with others beset by stuttering. This evening's meeting is being coordinated by Sheldon Feinberg and Michael Duane. Their organization has the approval of the College's Speech and Hearing Center. Persons interested in joining the group are urged to contact Feinberg (561-2170) or Duane (561-2186), or to contact the Speech and Hearing Center at the College. SHFSG will meet on campus every other Thursday.

SPRING SEMESTER ADVISEMENT PERIOD BEGINS NOV. 1

The advisement period for the spring semester has been scheduled for Nov. 1-11. During that period students must meet with their advisors, plan their spring semester schedules and deposit their Master Registration Card in the appropriate location in the College Center lobby during the hours of 9 a.m. to 4 p.m.

Registration results will be distributed Dec. 6-7. Students residing on campus will receive the material in their residence hall mailboxes while off-campus students may pick up their registration results in the lobby at the College Center between the hours of 9 a.m. and 4 p.m.

A program completion period will be held from Dec. 8-13 for those students who receive a notice on their registration results. Schedule completion will be from 9 a.m. to 4 p.m. Dec. 8-13 in the lobby of the Myers Fine Arts Building.

CAMPUS WELCOMES PARENTS OF UNDERGRADUATES

Parents of as many as 400 students — in numbers equalling last year's attendance — are expected to arrive on campus tomorrow to participate in Parents' Weekend festivities at the College. Activities get underway Friday with registration from 4 to 8 p.m. in the College Center, to be followed by a wine and cheese reception from 8 to 11 p.m. in the College Center Ballroom. Saturday's activities begin with a Continental breakfast from 9 to 11 a.m. in the lounge of the Clinton Dining Hall. In addition to having opportunity to browse and shop at the Fall Arts and Crafts Fair (see related story), parents of Plattsburgh students will be provided free tickets to attend the 1:30 p.m. football game at the College Field House Stadium, which pits Coach John Williams' Cardinals against the Cadets of Norwich University. The program Saturday evening will be highlighted by a semi-formal dance, from 9 to 1 p.m. in Memorial Hall gymnasium, featuring music by "The Lamplighters." Parents' Weekend concludes Sunday following a 9 to 11 breakfast at Clinton Dining Hall.

CAMPUS UNITED WAY DRIVE REACHES 13% OF GOAL

Preliminary figures compiled at the end of the first week of the campus United Way fund drive indicate contributions total approximately \$2,000, or about 13 per cent of the overall goal established for the College community. Vice President for Business and Finance Bernard J. Seawell, College Division drive chairman, said he and fellow volunteer solicitors are "very encouraged" by the response to the effort in its early stages. Several campus sub-divisions, Seawell said, have yet to begin soliciting contributions in earnest. He pointed out that 90 per cent of contributors to date have elected to use the payroll method of giving. Additionally, he said, 87 per cent of the pledges tallied for the first week represent gifts which correspond to the "Minute A Day" campaign slogan.

Overall, the College is challenged to raise \$17,500 in donations from faculty, staff and students at Plattsburgh State. The goal represents anticipated gifts totaling \$16,000 from campus employees and \$1,500 from students.

SUPINSKI APPOINTED EXECUTIVE DIRECTOR OF CAS

Bernard J. Seawell, president of College Auxiliary Services (CAS), has announced that the Executive Committee of that Corporation has approved the appointment of Stanley R. Supinski as Executive Director, effective November 1. Supinski succeeds John Harrison, who retired from the position. As Executive Director, Supinski will be responsible for the overall management of CAS. The corporation's principal activities include operation of college food service, the College bookstore, vending machines, Valcour Educational Conference Center and Twin Valleys Outdoor Educational Center.

Prior to joining the staff at Plattsburgh State in 1970, Supinski was associated with the General Electric Company. Since July 1976, he has been assistant to the vice president for finance and management at the College. Supinski is a graduate of St. Michael's College and is currently completing the requirements for his master's degree at Plattsburgh.

COLLEGE'S ALUMNI ASSOCIATION WINS CURC PROJECT AWARD

The SUNY College and University Relations Council, an organization of public relations personnel within SUNY, has presented its 1977 Project Award for Alumni Services to the Plattsburgh State Alumni Association.

According to Council officials, the honor was presented to the Association for its sponsorship of the first Alumni Leadership Conference that was held on campus in June. The program attracted 42 alumni leaders from throughout the state for almost two days of intensive reorientation of the College and its mission, and for an in-depth examination of the alumni leaders' potential as a resource in helping their Alma Mater in such areas as admissions, placement, fund-raising and evaluation of educational programs.

The program was coordinated by Malcolm R. Lavery, director of Plattsburgh State's Office of Alumni Relations and was co-sponsored by the Office of College Relations.

CARDINAL HOCKEY TEAM ENTERTAINS MIGHTY CLARKSON TONIGHT

It will be established power versus ambitious upstart when Clarkson College's Golden Knights invade the College Field House this evening (Oct. 27) to clash with Plattsburgh's Cardinals in an exhibition contest which will launch the 1977-78 hockey season for both teams. The Potsdam-based Knights, who last year captured first place in the eastern collegiate hockey with a 20-6-0 record against ECAC Division I opposition, are odds-on favorites to steamroll the Cardinals. Plattsburgh is beginning its second season as a Division II contender, and its first as a charter member of the nine-team New York Collegiate Hockey Association.

The Cardinals, coached by Lou Frigon, compiled an 8-14 record during their 1976-77 campaign. Tonight's game — face-off time is set for 7 p.m. — will mark the first time a Plattsburgh varsity hockey squad has confronted a sextet representing the nation's most prestigious league of play. Tickets for the exhibition contest are priced at \$1 for students at the College, and \$2 for the general public. They may be purchased in the community at The Barber Shop, at Ormsby's Sports World, at Cahill's Sporting Goods, and at Fountain & Lucas Grocery, or on campus in Memorial Hall, at the information desk in the College Center, or evenings at the Field House. Proceeds will benefit the scholarship program of the Cardinal Booster Club of the Plattsburgh State Alumni Association.

ARTS AND CRAFTS FAIR SET FOR SATURDAY

More than 70 exhibitors from all parts of New York State, from Vermont and from Canada, will display and sell their creations during the second annual Fall Arts and Crafts Fair to be held Saturday (Oct. 29) from 10 a.m. to 5 p.m. on the first floor level of the College Center. Original works in leather, jewelry, pottery, stoneware, candles, greeting cards and painting, and artificial plants are included among the hand-made goods that will be exhibited and offered for sale throughout the day. The event, sponsored by the College Center, is open to the public.

AAUP SPONSORS FORUM ON 'FIVE-YEAR PLAN'

The Plattsburgh State chapter of the American Association of University Professors (AAUP) is sponsoring an academic forum, "Faculty Views: The Five-Year Plan," to be held Wednesday (Nov. 2) from 4 to 6 p.m. in the Cardinal Lounge of the College Center. Participating panelists include Warren R. Dixon, department of business and economics; Nicholas J. Mammano, department of chemistry; Robert R. Miller, department of elementary and secondary education; and David N. Mowry, department of philosophy. College faculty and students are encouraged to attend and to express their views regarding the forum topic.

PAUL SMITH'S, PSUC, DEVELOP GUARANTEED ADMISSIONS PLAN

The College and Paul Smith's College have developed an agreement which guarantees the admission of students who complete the AAS degree in Ecology and Environmental Technology at Paul Smith's to the Plattsburgh State Bachelor of Arts major in Environmental Science.

Students will be guaranteed admission with an advanced standing of seventy-two credit hours and, assuming continued good academic standing at Plattsburgh State, they will be able to complete the B.A. requirements in four semesters.

The Ecology and Environmental Technology program at Paul Smith's provides background in ecology and water quality analysis. The B.A. program at Plattsburgh builds on this lower division background in two major ways. First, student concentrations in Water Quality Technology and/or Ecology Technology will be solidified through course work at Plattsburgh State, especially through the Residential Research Semester or the Internship Programs that are an integral part of their work at Plattsburgh State. Second, students gain a breadth of experience in economics, sociology, planning, and the related social science aspects of environmental problems that will complement the technical expertise gained at Paul Smith's College.

ACTIVITY SERIES TO BENEFIT UNITED WAY BEGINS TODAY

A series of activities organized to benefit the United Way of Clinton County will debut on campus at 8 p.m. today (Oct. 27) with a "Gong Show" performance scheduled for the College Pub. Contestants will vie for \$25 cash prize during the program, funded in part by the Marriott Corporation. On Saturday, the College's New Theatre Association (NTA) will auction costumes and masks from past productions during the day-long arts and crafts fair (see related story) to be held at the College Center. And, on Monday (Oct. 31), it will be "Halloween Night at the Pub," with a \$25 cash prize reserved for the campus community representative judged to be wearing the best costume for the occasion. All benefit activities are being organized and coordinated by the Sisters of Phi Kappa Chi Sorority. Future events planned for the campus to help raise funds for the 'United Way campaign include a Nov. 10th discotheque/dance party to be held in the College Pub under sponsorship of WPLT, Radio Free Plattsburgh, and a benefit performance of the NTA production of George Bernard Shaw's comedy, "Major Barbara," scheduled for Nov. 11 in Hartman Theatre.

CANADIAN SPORTS FILM FESTIVAL TO BE SHOWN MONDAY

The Center for the Study of Canada at the College, in cooperation with the Academic Affairs Board of the Student Association, will present a Canadian Sports Film Festival Monday (Oct. 31) at 7 p.m. which focuses on professional competition in hockey, football and baseball. The films, in the order of their showing, are entitled: *The Stanley Cup*, which features highlights of the 1977 NHL hockey playoffs between the Montreal Canadiens and the Boston Bruins; *The Grey Cup*, a review of the 1976 "Superbowl" of Canadian football which matched Ottawa and Regina; *King of the Hill*, an award-winning feature about Canadians in professional baseball, particularly pitcher Ferguson Jenkins; and *The Canada Cup*, which presents highlights of the exciting and dramatic 1976 world "professional" hockey tournament in which perhaps the greatest coalition of Canadian-born "superstars" ever assembled successfully challenged the national teams of the Soviet Union, Czechoslovakia and Sweden for world supremacy in the sport of ice hockey.

The film festival will be shown in Ballroom B of the College Center. Sports fans of all ages are invited to attend. Admission is free. The films have been made available to the College courtesy of the Canadian Consulate in New York City.

WHARTON ASSUMES SUNY CHANCELLORSHIP

The State University of New York has a new chancellor. He is Dr. Clifton R. Wharton, Jr., 51, president of Michigan State University. The SUNY Board decided in favor of Dr. Wharton at its monthly meeting on Thursday, culminating a ten-month national search for a successor to Dr. Ernest L. Boyer who last January became U.S. Commissioner of Education. A search committee examined the credentials of more than 250 candidates for the chancellorship.

President Joseph C. Burke said that he was pleased with the action of the Trustees. "Dr. Wharton," declared President Burke, "is a nationally-renown educator who has the experience and stature necessary to assume the chancellorship of the world's largest university. I look forward to working with him."

Dr. Wharton, president of Michigan State since 1970, is also highly regarded as a specialist in economic development and U.S. foreign policy. He will become the seventh chief administrative officer of SUNY in the University's 29-year history.

The new chancellor attended Boston Latin School, America's first public school, and entered Harvard College at age 16. While an undergraduate at Harvard, he was a founder and national secretary of the U.S. National Student Association. He received a B.A. in history from Harvard in 1947. He was the first Black to be admitted to Johns Hopkins University School of Advanced International Studies, receiving his M.A. in international studies in 1948. The University of Chicago awarded him an M.A. in economics in 1956 and the Ph.D. in 1958.

FOUNDATION TO IMPLEMENT BEQUEST SOLICITATION PROGRAM

A Bequest Solicitation Program will be instituted next year by the Plattsburgh College Foundation. The program was approved by the Foundation's Board of Directors at its recent fall meeting.

James E. Keable, Plattsburgh attorney and Foundation vice president for deferred giving, said the program accomplishes four objectives: 1) it educates prospects about wills and bequests; 2) it motivates prospects to make a bequest or other planned gift; 3) it encourages prospects to tell the Foundation about their plans for including the Foundation in their wills; and 4) it identifies the Foundation's best prospects for greater cultivation. The program to be conducted with the assistance of R&R Newkirk Associates of Indianapolis, usually produces at least a 15% response from an organization's mailing list.

The overall goal of the program is to increase the Foundation's endowment fund, which currently totals \$229,754.82.

CAMPUS UNITED WAY DRIVE AT 36.7% OF GOAL

Contributions to the campus fund drive for the Clinton County United Way totaled \$6,415.98 as we went to press with this issue. The total, which included \$6,201.47 in donations from College employees and \$213.51 from students, represented achievement of 36.7 per cent of the overall goal established for the campus community. The College has been asked to raise \$17,500 in gifts and pledges — \$16,000 from employees and \$1,500 from students — in support of the 1978 United Way Campaign.

Bernard J. Seawell, vice president for business and finance and chairman of the College division of the United Way, expressed optimism that the College will achieve its goal prior to the end of the drive on campus later this month. Particularly encouraging, he said, is the fact that a greater-than-ever number of campus employees is electing to contribute by way of the payroll deduction method of giving. Additionally, he noted that the percentage raised to date toward the total goal is significantly higher than it was at this stage of the drive a year ago. (*Weekly*, Nov. 4, 1976, reported achievement of 21 per cent of the campus goal.)

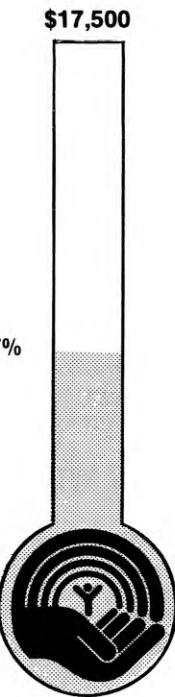

ADMISSIONS EXTENDS TRAVEL SCHEDULE, EXPANDS MARKETS

Plattsburgh State's admissions recruitment effort in the field will extend into mid-December, about three weeks longer than has been the case in previous seasons of on-site visits at schools, two-year institutions and College Night programs for interviews with prospective students. David Truax, director of admissions, reported recently that his staff will spend the equivalent of approximately 30 weeks on the road this semester — about 12 more weeks than counselors traveled for Plattsburgh a year ago. That means that each staff member, excluding the director, will have spent between six and seven weeks traveling during the 11-week recruitment period which began September 26, and is scheduled to continue through December 16.

Truax also noted that admissions officers have bolstered efforts to meet with students attending large, high quality schools, in metropolitan New York. Additionally, the College's new student recruitment team has expanded its market. This fall, for the first time, admissions staff are visiting high schools and two-year colleges in Connecticut, Massachusetts, Vermont and in Quebec.

TICKETS AVAILABLE FOR NTA PRODUCTION

Tickets are now on sale for the Plattsburgh State New Theatre Association production of *Major Barbara*, a lively comedy by George Bernard Shaw which will be presented in Hartman Theatre from November 9-12 and November 16-19. Tickets can be reserved at the box office in the lobby of the Fine Arts Building on campus, or by calling 564-2283. Box office hours are between 1 and 4 p.m. Mondays through Fridays. Tickets are \$2.50 for the general public and free for student association members. **The performance on November 11 will be for the benefit of the United Way. Tickets for this performance will be \$3.00 for the general public and \$.50 for students**, with the entire proceeds to be donated to the United Way of Clinton County.

FIRST PSUC STUDENTS TO JOIN CUSTOMS' WORK/STUDY PROGRAM

Debra Berian, a sophomore business major from Plattsburgh, and Gary Boire, a junior sociology major from Chazy, will report to the U.S. Customs Service border station at Rouses Point on Monday (Nov. 7) to begin assignments as participants in a cooperative work/study program involving the College and that federal agency. Berian and Boire are the first Plattsburgh State undergraduates to be selected to serve in the areas of patrol or inspection under the program, which was implemented this semester. The two, who will be paid by the federal government, including fringe benefits, applied to the program last spring. When they successfully complete the 26-week work/study program, Berian and Boire will be eligible for consideration for non-competitive appointment in the Customs Service at the GS-5 level.

The College is currently inviting applications for appointment to the program at the beginning of the spring semester. The deadline for applications is Nov. 30. Further information regarding eligibility requirements and the application process are available in the office of the director of placement in the College Center. The program is open to all students on an equal opportunity basis. Veterans, women and minority students are encouraged to apply.

SENATE ADOPTS RECOMMENDATIONS ON FIVE-YEAR PLAN

At its monthly meeting on Tuesday, the Faculty Senate deliberated seven recommendations: in brief, identifying questions that had not yet been answered, and calling for further consultations before a Five-Year Plan is implemented at this College. The Senate's committee on graduate studies presented two recommendations: 1) that "further review is in order before graduate programs are eliminated," and 2) that "neither the MBA nor any other graduate program be initiated without adequate internal and external review attesting to program quality." The Senate adopted all nine recommendations.

Additionally, the Senate approved a proposal to revise the Faculty By-laws by redefining and broadening responsibilities of the standing committee on resources and planning. The proposed amendments will be submitted to the faculty in the near future.

SILVERMAN NAMED SUNY PROVOST FOR RESEARCH

State University has a new Provost for Research. He is Dr. Paul H. Silverman, formerly of the faculty of the University of New Mexico where he served as Associate Provost for Research and Academic Services, Vice President for Research and Graduate Affairs and Professor of Biology.

Dr. Silverman's responsibilities at SUNY Central will include the coordination of policies related to organized and sponsored research, supervision of the SUNY Press, patent and copyright policy matters, and graduate programs, including SUNY and State Education Department evaluations and the intercampus Doctoral Fellowship and Grants-in-Aid program.

KANSAS STATE CHEMIST TO LECTURE HERE ON THURSDAY

Dr. William G. Fateley, professor of chemistry and head of the department of chemistry at Kansas State University, will discuss "Scientific Hoaxes, Art and Quantum Mechanics" on Thursday (Nov. 17) at 8 p.m. in room 206 of Yokum Communications Lecture Hall. The lecture, described as a "non-technical, highly entertaining talk for chemist and non-chemist alike," is open to the campus community and the general public.

Fateley will visit the College and its chemistry department under sponsorship of the Northern New York Section of the American Chemical Society. His primary interest is in the area of structural chemistry and spectroscopy. The Kansas State professor is editor-in-chief of the *Journal of Applied Spectroscopy*, and editor of *Raman Letters*.

LIBRARY SERVICES CURTAILED ON LEGAL HOLIDAYS

Although Feinberg Library will be open tomorrow (Nov. 11, Veterans' Day, a legal holiday in New York State) and professional staff will be available during normal library hours, a number of services will be curtailed. Robert E. Burton, director of libraries, said that because many library services are heavily dependent upon Civil Service clerical employees, limitations have been established for tomorrow and for all other legal holidays observed when classes are in session. Library services to be curtailed include the main circulation desk in Feinberg. Services will be limited to the essential functions of the reserve desk and charging out books. Students, faculty and staff are requested to postpone all other business or requests, including renewals, fine payments, change requests, searches, photocopying and library card questions, until Saturday. Books due tomorrow may be returned without penalty on Monday.

GOLDTHWAIT APPOINTED TO UNIVERSITY SENATE CHAIRMANSHIP

Dr. John Goldthwait, professor of philosophy, has been appointed by the SUNY University Faculty Senate to serve as chairman of the Senate Committee to Coordinate Grants and Awards. Goldthwait's committee has been charged by the Senate to study State University's system of awards for uniformity and impartiality, and to submit policy recommendations to the chancellor of the University. Among the grants and awards to be scrutinized by the committee are the faculty grants for the improvement of undergraduate instruction; the distinguished professorship, distinguished teaching professor and excellence in teaching awards; and the awards for excellence in librarianship and for professional service.

TICKETS AVAILABLE FOR NTA PRODUCTION

Plenty of excellent seats are available for weekend performances of *Major Barbara*, the New Theatre Association (NTA) production of the lively comedy by George Bernard Shaw which opened last night in Hartman Theatre. Tickets for performances this evening and for Friday and Saturday evenings may be reserved at the box office in the lobby of the Fine Arts Building or by calling 564-2283. Box office hours are from 1 to 4 p.m. Mondays through Fridays, and 7 p.m. to 8 p.m. curtain time on performance days. Tomorrow's (Nov. 11) performance will benefit the United Way of Clinton County. Tickets for Friday's performance are \$3 for the general public, with the entire proceeds to be donated to the United Way.

Major Barbara, one of Shaw's most popular plays, has been acclaimed as a "witty, socially relevant comedy." It will be presented by the NTA at 8 p.m. on Wednesday through Saturday of next week.

CENTER FOR THE STUDY OF CANADA TO HOST RECEPTION

The Center for the Study of Canada will host a Canadian studies reception today (Nov. 10) from 3:30 to 5 p.m. in the Cardinal Lounge of the College Center. The reception is open to all. Refreshments will be served.

Canadian Studies faculty and students will be available to provide information regarding the College's B.A. program in their discipline, including next semester's schedule of courses on the study of Canada, and to discuss opportunities for study abroad in Montreal and Quebec City. Visitors to the reception will be treated to a continuous slide presentation which focuses on people and places in Canada. Also scheduled is an informal discussion and debate on the lively topic of the future of Quebec and of Canada as a nation.

MINI-CONFERENCE ON LATIN AMERICAN STUDIES SCHEDULED FOR SATURDAY

The Latin American Studies Committee at Plattsburgh State will host a mini-conference on urbanization in Latin America on Saturday (Nov. 12). The event will mark the first time that Latin Americanists from northern New York, Vermont, and Quebec will gather to discuss an important aspect of Latin American life and society. State University units at Plattsburgh, Oswego, Potsdam, Empire State College and Albany in addition to Middlebury College the University of Vermont and the University of Montreal will be represented at the conference. The thrust of the meeting will be informal and will include an exchange of ideas, approaches, and research materials in respect to a wide variety of disciplinary perspectives.

The program will begin with a film, "The Brickmakers," to be shown in room 201 of Yokum Communications Lecture Hall at 1:30 p.m. The film explores the nature and scope of urban poverty in Colombia, and provides a glimpse of the socio-political divisions within Colombian society. The program will be followed by a discussion of the film and Latin American urbanization, to be held in the Cardinal Lounge of the College Center. From 3:30-5 p.m. participants will form small groups for discussion of research possibilities, sources and findings. The program is open to all who would enjoy the opportunity to share ideas and experiences with participating Latin Americanists in attendance.

VICE PRESIDENT PORTER RESIGNS; ACCEPTS POST WITH CONNECTICUT STATE SYSTEM

Dr. Thomas A. Porter, vice president for academic affairs at the College since September 1, 1975, will leave Plattsburgh State next month to assume the position of executive officer for academic and student affairs for the Connecticut State College System. His resignation is effective on December 31. As executive officer, Porter will be involved on a state-wide level in

working with a board of trustees, a 1202 Commission, the executive and legislative branches of the state government, the four campuses within the Connecticut system, and the other systems of higher education in that state.

In his letter of resignation to President Joseph C. Burke, Vice President Porter wrote: "I did not actively seek this new position, but I feel I cannot turn my back on the professional responsibilities and opportunities which it affords. I want you to know I have enjoyed enormously working with you, and that I have an especially high regard for your leadership at this College. I am grateful for the opportunity I have had here to work with members of the faculty and with fellow administrators, and I will miss them as friends and colleagues. Plattsburgh State is a first-rate college, and because I know it better today than when I first arrived, I have even greater confidence in its future than I did then."

President Burke said that consultation will begin immediately with appropriate faculty and student groups on a temporary replacement for Porter and on the appointment of a search committee to seek a permanent vice president for academic affairs. He said he was hopeful that a permanent appointment could be made by July or August of next year.

In commenting on Porter's resignation, President Burke said: "During his two years as Vice President for Academic Affairs Tom Porter has worked diligently to improve the quality of our academic programs and the intellectual climate on campus. He has always insisted that excellence is the only standard worth pursuing. The College at Plattsburgh is much better because he was here. His leaving will create a void which will be difficult to fill. I know I speak for faculty, students and administration in wishing him well in his challenging new position. Knowing Tom, I have no doubt that he will succeed." Prior to joining Plattsburgh State in 1975, Porter had served five years as Dean of the School of Arts and Science at Central Connecticut State College.

UNITED WAY CAMPAIGN AT 84% OF GOAL

With a few divisions yet to report, the College Division campaign for the United Way of Clinton County has achieved 84 per cent of the \$17,500 goal established for this campus. Contributions, as of Wednesday morning, totaled \$14,700.75. College employees had attained 89.7 per cent of their goal of \$16,000, and students had achieved 23.3 per cent of their goal of \$1,500.

84%

The dollar amount, percentage of goal and number of contributors has already surpassed the final tally for 1976 in all three categories. Last year's drive ended with 425 individuals contributing \$12,514 (76%) toward a goal of \$16,500. Vice President for Business and Finance Bernard J. Seawell, this year's College Division United Way chairman, expressed optimism that 100% giving will be attained or exceeded during the forthcoming, final week of solicitation and tabulation of contributions on campus.

ANALYSIS SHOWS COLLEGE FARED WELL IN MEETING ENROLLMENT GOALS

An analysis of preliminary enrollment data for fall, 1977 for State University indicates that Plattsburgh ranks favorably in comparison with sister units in SUNY in the achievement of enrollment goals.

The analysis shows, for example, that the College barely missed its full-time undergraduate head count goal, coming within 20 students of its 4,968 head count target. Meanwhile, seven of the 10 SUNY arts and science colleges fell more than 100 students below their total head count enrollment goals, with the short-fall ranging from 144 students at one sister institution to a high of 500 at another.

A disturbing element in the enrollment picture at Plattsburgh State is the continuing decline in graduate enrollments, both full-time and part-time. The latest data shows that full-time graduate enrollment declined by 16.7 per cent; or 20 head count students, and that part-time graduate enrollment dropped 19.3 per cent, or 110 head count students.

COLLEGE COUNCIL CREATES FIVE STANDING COMMITTEES

The College Council has organized itself into five standing committees in an effort to better fulfill its role as prescribed in New York State Education Law. This action, taken on Monday at the Council meeting, created committees in the areas of academic affairs, student affairs, maintenance and operation, college relations and budget. Council members chairing each of the committees will serve on the newly-formed Executive Committee, with the Council chairperson serving as head of the Executive Committee. Members of the standing committees, including representatives from the community, will be appointed by the Council on the recommendation of the Executive Committee. President Burke will appoint the appropriate college officer to serve as a liaison representative with each standing committee.

At its Monday meeting, the Council heard a report on the Canadian Studies Program from Dr. Richard Beach, acting director of international studies, and approved resolutions commending the SUNY Trustees relative to the manner in which the trustees conducted the search for a new SUNY Chancellor. The next Council meeting is Monday, December 12 at 3:30 p.m. in the 10th floor Board Room of the Kehoe Building. Council meetings are open to all students, faculty, staff and the general public.

THREE DEPARTMENTS SHARE \$33,513 NEH GRANT

The departments of art, music and theatre at the College have been awarded a \$33,513 pilot grant by the National Endowment for the Humanities, Division of Education Programs, in support of a project entitled, "The Humanities in the Arts Program." The grant marks the largest single amount of funding ever awarded to the arts areas at the College. The duration of the project will be from May 1, 1978 to July 31, 1979.

During the period of the grant Dr. Judith Van Wagner, assistant professor of art and project director, and project co-authors Dr. Daniel Watermeier, associate professor of theatre, and Dr. Yenoin Guibbory, associate professor of music, will work closely to develop an experimental program of study centered on the teaching of humanistic values through the fine and performing arts. Van Wagner said that NEH intends to offer the program developed at Plattsburgh State as a model to colleges and universities throughout the United States. "The Humanities in the Arts" is scheduled to be offered at the College for the first time in the spring of 1979. It will not be presented as a broad survey class but will focus on topical studies relating to particular historical times that are characterized by explosions of creativity in the arts.

The program will build mainly on the interests and specialties of the three project co-authors, but other Plattsburgh State faculty in the arts areas will be called on when necessary to lend their expertise to particular semester topics. A series of concerts, plays, and exhibitions, all of which will be open to the public, will be coordinated as part of the program. Van Wagner, Watermeier, and Guibbory are confident that their work will serve also as a model for the eventual development of a number of courses centered in the humanities that link the arts to other academic disciplines.

COLLEGE SURPASSES 1978 UNITED WAY GOAL OF \$17,500

With contributions from several departments yet to be received and tabulated, the campus campaign in support of the United Way of Clinton County has surpassed its goal for 1978. Vice President for Business and Finance Bernard J. Seawell, chairman of the College Division fund drive, reported Wednesday that campus community contributions totaled \$18,202.42. That amount, he said, represents 104 per cent of the overall goal (\$17,500) established for the College. Employee giving totaled \$17,455.20, or 108 per cent of the goal (\$16,000) established for personnel on the College payroll. Student contributions as of yesterday totaled \$747.22, or 49.8 per cent of the goal (\$1,500) set for the undergraduate population. Seawell expressed confidence that Plattsburgh's students would surpass the 100 per cent mark. He pointed out, for example, that proceeds from recent United Way benefit activities are in the process of being tabulated and will be included in the next report. Similarly, several departments have yet to turn in their contributions and pledges, meaning the campaign among employees is expected to yield even greater results. "We'd like to close the books officially on the 1978 campus drive," he said, "so we urge immediate response from those departments that have not yet submitted their United Way returns."

Seawell attributed the success to date of this year's drive to greater participation among employees, more extensive use of the payroll deduction method of giving, elucidation of the "Minute-a-Day" theme, and the effectiveness of sub-division chairpersons and the solicitation team. The number of contributors this year increased by 91 in comparison with 1977 campaign totals (from 453 to 544), and the number that opted to give via payroll deduction increased from 213 a year ago to 330 this year. "It is obvious that the 'minute-a-day' slogan gave our employees a realistic target with which to compute their fair share contribution," said Seawell. Returns to date show that more than 200 contributors have given the equivalent or more of their earnings in one minute of every working day.

PRESIDENT CALLS FACULTY MEETING TO DISCUSS 'FIVE-YEAR PLAN'

President Burke has called a Faculty Meeting for Monday, December 5th at 4:15 p.m. in CL 200 of the Yokum Communications Building to discuss the "Five-Year Plan." All teaching and non-teaching professionals are invited to attend. Members of the student government and campus news media also have been invited to the meeting.

APESOS TO ASSUME PUBLIC INFORMATION POST

Steven M. Apesos, assistant director of public information at New Mexico Highlands University, Las Vegas, New Mexico, will assume the position of director of public information at the College, effective Dec. 15. Apesos, who holds the B.A. degree in public relations from West Virginia University, replaces James E. Leach, who resigned his post in September to become director of public relations at Eisenhower College. A search committee headed by Don Garrant, assistant to the president for college relations, examined the credentials of more than 80 applicants before selecting Apesos from among four finalists interviewed on campus during late October and early November.

SA ELECTIONS TUESDAY; ENTIRE EXECUTIVE COUNCIL UNOPPOSED

Eight candidates for Student Association leadership positions, including the entire slate for the SA executive council, are running without opposition in Tuesday's (Dec. 6) undergraduate election. Uncontested executive council candidates are: Bruce F. Mante, Jr., president; Robert J. Harding, executive vice president; Gene Bender, vice president for the arts; Sarah E. Connair, vice president for finance; Richard S. Mole, vice president for academics; Patti Phillips, vice president for activities; and Richard Harlem, vice president for services. Additionally, Lisa M. Cilwick is running unopposed for chief justice of the court of appeals. Twenty-four candidates are vying for 15 positions as student senators. The major contest appears to be for student assembly delegate. Three undergraduates — Marc S. Wald, Jonathan Gatt and Peter Flanagan are on the ballot for the single delegate post. Although four slots are open for election as associate justice of the court of appeals, only two candidates — Wald and Karen Courtney — will be listed on the ballot.

Students will go to the polls on Tuesday at one of three locations: Clinton Dining Hall (for residents of Hood, deFredenberg, Moffit, Wilson and Mason Halls); Algonquin Dining Hall (for residents of Kent, Macomb, Adirondack, Banks and Whiteface Halls); or the College Center (for residents of Macdonough and Harrington Halls and for off-campus students). Validated student ID's will be required.

Student government officers will serve from Jan. 1, through Dec. 30 of next year.

Faculty Meeting-Mon. Dec. 5, 4:15-Topic: "Five-Year Plan"

SEARCH UNDERWAY FOR DEAN OF GRADUATE STUDIES AND RESEARCH

The recruitment effort to fill the position of dean of graduate studies and research at the College has begun in earnest. A search committee has been formed, and members of the faculty and staff have been invited to submit names of qualified individuals to the committee. The position has been vacant since late summer when former Dean Harold J. Perkins left the College to assume the presidency of Brandon College, Brandon, Manitoba. In the interim, Robert Ellsworth and Robert Moll have been assisting faculty in finding sources of funds and in preparing applications for research grants, and the office of the vice president for academic affairs has been responsible for coordinating activities pertaining to graduate studies.

The search committee has established Feb. 17, 1978 as the deadline for receipt of applications. The anticipated date of appointment is July 1 of next year. Information concerning the position description and qualifications may be obtained from the office of the vice president for academic affairs.

The search committee membership: Donald Bogucki, Robert Burton, Dean Philip Clarkson, James Dawson, David Dirlam, William Graziadei, Kenneth Hoeltzel, Peter Hornby, Anton Jachim, Robert Moll, Thomas Porter, Donald Ryan, George Sheats, Ann Zielinski, and Ann Hasting, committee secretary.

CREDIT UNION EXPANDS HOURS

The SUNY Plattsburgh Federal Credit Union has expanded its business hours, effective immediately, for the period leading up to Christmas Day. The Credit Union office in room 709 of the Kehoe Administration Building will be open for the convenience of the membership from 12 to 12:30 p.m. and from 4:30 to 5 p.m. Mondays through Fridays through Dec. 23.

LATIN AMERICAN 'RIGHTS' SYMPOSIUM SET FOR TOMORROW

The fear of living with censorship, sudden and arbitrary arrest, torture and other forms of repression practiced in Brazil and Chile will be analyzed in depth tomorrow (Dec. 2) during an afternoon and evening symposium on "Human Rights Problems in Latin America" to be held in the College Center. Several Latin American and North American scholars, including two who will relate first-hand experience of imprisonment and torture for their ideological beliefs, will participate in the symposium. The program will begin at 2 p.m. on Friday in the Cardinal Lounge, and will continue with a series of lectures starting at 7:30 p.m. in Ballroom B. It is open to the campus community and the general public.

The symposium at the College is being sponsored by the Student Association, the James N. Rosenberg Fund, the Center for International Studies, Plattsburgh State's Latin American Studies Committee and its department of political science.

'KEY TO THE UNIVERSE' TO BE SHOWN TOMORROW

The Key to the Universe, a film overview of recent startling breakthroughs achieved by scientists toward understanding the laws of creation and of how the universe came into being and is sustained, will be shown at 7:30 p.m. tomorrow (Dec. 2) in room 106 of Hudson Hall. The showing is open to all.

The film reports on the latest theories of high-energy physicists and astrophysicists about the links between the macroworld — the overall views of the stars and the galaxies — and the microworlds of atoms and their components. It explores the composition of matter and the bizarre rules that govern its behavior, and it addresses questions such as whether there are one or many laws of nature.

KEYSER WINS COUNCIL ON THE ARTS DESIGN COMPETITION

Sherwood Keyser, director of publications, has received a cash prize for his design of the logo recently adopted by the Clinton County Council on the Arts. Keyser's design, which will be used as the council's identifying symbol, was selected from among 127 entries in a contest open to all residents of Clinton County. The design of three interlocking C's, reversed on a background in black, represents the three elements of the Council program in art, music and theatre.

PRESIDENT ANNOUNCES REVISION OF THE 'FIVE-YEAR PLAN'

President Joseph C. Burke announced at a meeting of the faculty on Monday his intention to implement a Revised Five-Year Plan, beginning in the fall of 1978. Citing "exciting reaction" which produced suggested improvements of the original Plan, the president announced that 13 positions instead of 19 will be shifted by the Revised Plan in the next five years. He said the exact timing of the move of positions will be worked out in discussions with the departments involved. President Burke said that he hoped that position reallocations in most cases can be scheduled so they will have only a minimal effect on existing faculty, and that contractual obligations to faculty can be fully respected. "These revisions," he said, "represent my attempt to respond as fully as possible to the comments and criticisms which have been made on the original plan. They are made at great costs. A number of departments will not receive positions which they need." Other modifications the president announced on Monday:

- Restoration of all undergraduate programs eliminated — with the understanding that the department of modern languages will carefully consider its responsibilities for providing language proficiency to non-majors and recommend, given that responsibility, what majors the department feels can be retained with its available faculty.
- Retention of all graduate programs for the time being by as much as possible by shifting them into summer programs, with a request for a comprehensive review of all graduate programs in the context of the sharp decline in full and especially part-time enrollments and the current situation in graduate studies in New York State.

President Burke noted his agreement with recommendations in the report of the Undergraduate Studies Committee, which call for more programmatic cooperation between faculty in different departments, more personal interaction between faculty and students, particularly at the freshman level, and increased attention to the educational experiences provided students outside their major. "It is clear," he said, "that the initiative in dealing with these academic concerns must lie primarily with the faculty, since any solutions which will emerge will depend primarily on the creativity and commitment of the faculty." He added that he would support creation of a faculty group, with student representation, that next summer would review suggestions in the Undergraduate Studies Committee Report and prepare, in turn, a report for circulation next fall that will stimulate continuing debate at an even higher level during the fall 1978 semester.

President Burke emphasized that the Five-Year plan has been revised, and not revoked. The full text of the president's remarks is currently being duplicated for distribution to faculty and staff before the weekend. The following chart shows the revision of the original plan in staff reallocation.

MANTE TO LEAD '78 STUDENT GOVERNMENT

Bruce F. Mante, Jr., a junior political science major from Yorktown Heights, was elected president of the Student Association in Tuesday's election of next year's undergraduate governance body. Mante, who ran unopposed, will succeed current President Thomas P. Grant, effective Jan. 1, 1978.

Elected to the SA executive council (all unopposed) were: Robert J. Harding, executive vice president; Gene Bender, vice president for the arts; Sarah E. Connair, vice president for finance; Richard S. Mole, vice president for academics; Patti Phillips, vice president for activities; and Richard Harlem, vice president for services.

Marc Wald defeated two other candidates in the race for student assembly delegate. Wald and Karen Courtney were elected associate justices of the Court of Appeals along with Don King, who was victorious on a write-in ballot with 31 votes — six more than required for election of write-in candidates. One slot on the Court of Appeals remains vacant. Lisa Cilwick, who ran unopposed, will serve as chief justice of the court.

Twenty-four students contest for 15 seats as SA senators. The successful 15 were: Michael Boyle; George Fleckenstein; Peter Masci; Kevin Stewart; Kevin Keleghan; John Cahill; Andrew Rudack; Gary Stevens; Kenneth Ennis; John Mitchel; John Burns; Jennifer Janke; Robert LaManna; Scott Lambert; and Stephen Mohr. A total of 891 students went to the polls on Tuesday.

DOH TO CHAIR SEARCH COMMITTEE FOR ACADEMIC VICE PRESIDENT

President Burke has announced that Dr. Herman Doh, chairman of the Faculty Senate, will serve as chairman of the search committee that will be formed in the near future to seek a replacement for Dr. Thomas Porter, vice president for academic affairs. Porter resigned, effective Dec. 31, to accept a position with the Connecticut State College System. In announcing Dr. Doh's appointment, President Burke said that he hoped Vice President Porter's successor would be on campus no later than August, 1978. The Faculty Affairs Committee of the Faculty Senate has been asked by President Burke to suggest names for the search committee.

INVESTIGATORS SEEK RECOVERY OF STOLEN BIRD SPECIMENS

Campus authorities have launched an investigation designed to recover five priceless bird specimens stolen from the collection housed in room 104 of Hudson Hall. Missing are specimens of the sparrow hawk, great horned owl, short-eared owl, red-shouldered hawk, and the tiny saw-whet owl. The first four were apparently taken by forcing entry to a locked display case during the Thanksgiving holiday recess; the saw-whet owl disappeared from the collection late last week. Each of the five is protected by the Federal Fish and Wildlife Act. That means their theft is in violation of both state and federal statutes.

Plattsburgh State's Office of Safety and Security has alerted regional law enforcement agencies to be on the lookout for the stolen specimens. Security officers, hopeful that the birds may have been taken as a prank by a person or persons associated with the College, have issued a campus-wide appeal to expedite their recovery. Information as to the possible whereabouts of the specimens should be directed to Edward Brady, assistant director of campus security (564-2022). Meanwhile, the individual(s) who might have them may return them, without penalty, to Professor Walker during a "grace" period which ends on Friday, Dec. 16.

COLLEGE COUNCIL MEETS MONDAY

The December meeting of the Plattsburgh State College Council will be held Monday (Dec. 12) at 3:30 p.m. in the 10th floor board room of the Kehoe Administration Building. Council meetings are open to members of the campus community and the general public. The agenda consists of reports from the president, the vice presidents for academic affairs, finance and management and student affairs, and the assistant to the president for college relations. Mrs. Judith Duken, acting chairman of the College Council, will preside.

JAZZ BAND WINTER CONCERT SCHEDULED FOR SUNDAY

The Plattsburgh State Jazz Band will presents its annual winter concert on Sunday at 8:00 p.m. in Hawkins Hall. Music for the evening will come from the libraries of Buddy Rich, Stan Kenton, Maynard Ferguson, Thad Jones, and Don Ellis. Selections will include "Send in the Clowns," "La Fiesta," "Body n' Soul," "Love for Sale" and a number in 13/8 time, "Great Divide." Mark Beaubriand, Larry Tuttlemando, Dave Grippo, Jamie Frederick, Bill Cash, Brad Rippes, Hans Brethauer, Greg Holt, Mike Lawsche, Lorraine Calkin, and the band's new director, Herm Matlock, will all be featured as soloists.

The concert is free and open to the public.

SYMPHONIC BAND CONCERT SET FOR TOMORROW

The College Symphonic Band, under the direction of Dr. James B. Miller, will present a holiday season concert tomorrow (Dec. 9) at 8:00 p.m. in Hartman Theatre. Admission is free, and the general public is invited to attend. The program will feature Elliot A. Del Borgo, associate professor of music at the Crane School of Music, SUNY Potsdam, as guest conductor-composer. Del Borgo will conduct his "Adagio for Winds" and his "Commemorative Overture." The latter was written to mark the 50th Anniversary of the United States Navy Band. Several student soloists will be featured during the performance.

State University College at Plattsburgh • Dec. 15, 1977

WALKER TO DELIVER MID-YEAR COMMENCEMENT ADDRESS

Dr. Philip Walker, professor of biology and a member of the faculty at Plattsburgh State since the fall of 1951, will be the principal speaker during informal commencement exercises honoring December graduates of the College. The commencement program is scheduled for Thursday (Dec. 22) at 2 p.m. in Hawkins Hall Large Auditorium.

Walker's topic will be "It's Just Beginning — Not Finished." He said he intends to reflect briefly on changes in the environment in Plattsburgh during the course of his 27-year teaching career here. Walker was invited to address the December graduates by President Joseph C. Burke.

Nearly 400 students have applied as candidates for bachelor's or master's degrees or for Certificates of Advanced Study at the end of the fall term. Approximately one-quarter of that number are expected to take part in Thursday's ceremony, and all participants are requested to assemble in the corridor adjacent to the small auditorium in the building no later than 1:30 p.m.

President Burke will preside at commencement and confer degrees. Vice President for Academic Affairs Thomas A. Porter will present the candidates. A reception for the December graduates and their guests will be held in the Ballrooms of the College Center immediately following the program.

UNITED WAY TALLY EDGES UPWARDS; STUDENTS EXCEED GOAL

The announcement that Plattsburgh State's students have surpassed their goal by more than seven percentage points highlights the latest report on the progress of the College's campaign in support of the 1978 United Way of Clinton County fund drive. Student contributions, as of Wednesday, totaled \$1,607 or 107.1% of the goal established for the College's undergraduates. The dollar amount represents an increase in giving among students nearly four times greater than a year ago. Vice President for Finance and Management Bernard J. Seawell, College division United Way chairman, credited the success of the drive among students to "an outstanding job of coordinating fund-raising activities for undergraduates during the course of the campus campaign." Ray Gromelski, property control officer at the College, and a former Student Association vice president for activities, coordinated the student drive.

Overall, College contributions total \$20,183, or 115.3% of the \$17,500 goal set for the institution and its people. Giving among employees totaled \$18,576 — 116.1% of the goal established for personnel on the campus payroll. Approximately 52% of campus employees have contributed to the 1978 drive.

Seawell said that while the College United Way campaign has officially ended, additional contributions are anticipated. He noted, for example, that students have scheduled a Christmas party in the campus pub tomorrow (8 p.m. to 1 a.m.) with proceeds to benefit the United Way. Additionally, he said, campaign returns have yet to be received from six academic departments.

"It's possible, even likely, that several employees have not been contacted by a fund-drive solicitor," said Seawell. "They may contact me personally for the name of their team captain, or to request me to forward information and a pledge card directly. In the meantime, we urge employees who have not contributed to reconsider their decision and to join the 52 per cent of their colleagues whose generosity not only helped the College surpass its goal but also will enhance the quality of life for many less-fortunate citizens in our region."

CEC, TAC RECEIVE GRANT IN SUPPORT OF TOURIST/TOURISM PROJECT

Two agencies at the College — one directed to the enhancement of learning and the other to regional economic development — will launch a cooperative effort designed to increase tourism and tourist spending in a 16-county area of Northern New York. The project, which will train workers in regional tourist industries and compile a wealth of data on the travels and expenditures of tourists, will be conducted by the Comprehensive Educational Center (CEC) and the federally funded Technical Assistance Center (TAC) at the College. A grant of \$39,200 from the State Education Department will fund the two-part program.

The Program Development Office at the CEC will develop the educational training components of the program. Data compilation and analysis will be the responsibility of TAC staff. William Derrick, director of the Comprehensive Educational Center at Plattsburgh State, is project director. "This is an enterprise which could have a highly favorable effect on the overall economic productivity in the North Country," said Derrick. "We are excited about the potential of this program, and we hope to expand it in future years."

The duration of the project, already underway, is through August of 1978. Renewal of the grant for further training and data collection is possible under Title I of the Higher Education Act of 1965. Derrick said that participants in the training workshops will be encouraged to understand the needs of the tourist and ways to fulfill those needs. The goal, he said, is to attract more tourists to the region, and to encourage them to remain for longer periods of time. Thomas Williamson, who directs TAC operations on campus, said the compilation of information pertaining to tourists' travels and spending is intended to provide a benchmark for future comparison and future economic planning in the region. He noted that the information gathered and analyzed by TAC will be made available to local and regional organizations for use in formulating programs promoting tourism.

Best Wishes for a Happy Holiday Season!

PRESS CONFERENCE WITH SUNY CHANCELLOR TO BE SHOWN ON CHANNEL 4

A videotape of SUNY Chancellor-designate Clifton R. Wharton's recent conference with local, state and national news media in Albany will be shown twice next week on Channel 4, the College's closed-circuit, campus-wide cable television system. The 25-minute taped press conference will be televised at 3 p.m. on both Monday and Wednesday, Dec. 19 and 21. Faculty, staff and students are invited to view the program on either date in room 208 of Yokum Communications Lecture Hall. Additionally, the tape may be seen on Channel 4 on receivers located strategically in all parts of the campus.

During the conference, SUNY Chancellor Wharton fields questions from reporters on a wide variety of topics of importance to the University and its people, including such matters as tenure, State University's relationship with the State Education Department and with private institutions in the Empire State, and priorities of the University.

FIVE ASSUME COUNCIL COMMITTEE CHAIRMANSHIPS

The College Council has named five chairmen for its newly-established standing committees. At its December meeting on Monday, the Council selected the following: Claude Clarke, academic affairs; Wayne Byrne, budget; Bernard Amell, buildings and grounds; Louis E. Wolfe, college relations; and Daniel Manning, student affairs. The five chairmen, along with Mrs. Judith Duken, acting chairman of the Council, and President Burke will comprise the Council's executive committee.

SPEAKERS COORDINATING COUNCIL APPOINTED

Vice President for Student Affairs Thomas Aceto and Vice President for Academic Affairs Thomas Porter have appointed a Speakers Coordinating Council and charged the council to invite outside speakers to campus whose presentations will "enhance the intellectual and cultural atmosphere of the College." The newly appointed council will sponsor both speakers on its own and work with other established groups on campus. Letters were being sent out this week to department chairpersons and program coordinators calling their attention to the functions of the council and inviting applications from those who desire funds for speakers. Members of the faculty/student council are Richard Beach, Patricia Bentley, Suzann Buckley, Townsend Carpenter, George Fleckenstein, William Hartnett, Young Jang, Kevin Keleghan, Mary Jo LaBate, Roy Malpass, Luverne Mann, Bruce Mante, David Mowry, Patricia Phillips, Bernadette Ruf, Vince Stein, Jaime Trautman, and John Myers, chairman.

SATURDAY'S MUSIC SERIES PROGRAM FEATURES MONTREAL SYMPHONY ARTIST

The Champlain Chamber Music Series will conclude its 1977 season with a special concert to be presented Saturday (Dec. 17) at 8 p.m. in Hartman Theatre. The concert will feature the Champlain Trio — music department faculty Yenoin Guibbory, violin; Robert Cancelosi, cello; and Elizabeth Hayden, piano — and guest artist Uri Mayer, principal violist with the Montreal Symphony Orchestra. The musicians will perform two magnificent works written for their combination of instruments: Mozart's Quartet K. 478 in G Minor, and the Quartet in C Minor (Op. 60) by Brahms. In addition, the program will include the lively and entertaining trio, Op. 11 in B Flat Major, by Beethoven.

CHORAL TO PREMIERE FRANK'S 'VENI EMMANUEL'

The College Chorale at Plattsburgh State will present its winter concert Friday (Dec. 16) at 8 p.m. in Hawkins Hall large auditorium. Admission is free, and the concert is open to the public. Highlighting the program will be the premiere of "Veni Emmanuel," a contemporary setting of the traditional hymn, "O Come, O Come Emmanuel," by Chorale Director Robert Frank. Barbara Jenkins and Rick Burton will accompany the Chorale's premiere performance of Frank's work. The program also will feature contemporary Christmas settings of Peeters, Brubeck and Hostetter, an adaptation of "The Christmas Story" by Schutz, including narrator and small orchestra, and selections from the Broadway show, "Pippin."

STUDENT RECITALS SCHEDULED FOR TODAY AND TUESDAY

The first of two student recitals to be held prior to the end of the fall semester at the College is scheduled for this evening (Dec. 15) at 8 in Ballroom A of the College Center. The recital will feature Jean Morje, violin, and Erika Swedberg, soprano. The students will be assisted by Celia Strebendt and Renata Carisio Booth, pianists. A complete recital featuring students of music at the College will be held at 4 p.m. next Tuesday (Dec. 20) at 4 p.m. in Hartman Theatre of the Myers Fine Arts Building. Both recitals are open to the general public.

Note: This is the last issue of WEEKLY for the fall semester. Publication will resume on Thursday, Jan. 19.
